

Talking to Dorset Police may be easier than you think

We want to fully understand your concerns in your neighbourhood and we want you to report every incident of crime or disorder you encounter.

In an emergency dial 999

What is an emergency?

- When you need a police officer as soon as possible
- There is a danger to someone's life
- Someone might be or has been injured
- A crime is happening or about to happen

Calling 999 from a mobile phone

- Tell the operator where you are calling from

To report less serious crime or ask us a question

- Call Dorset Police on 101
